Flamm-  
lachs

The image shows a highly detailed miniature model of a wooden fish restaurant, likely a diorama or a small-scale architectural model. The building is constructed from light-colored wood and is illuminated from within, creating a warm, inviting glow. The roof is adorned with a string of small, round lights. A large, stylized sign with the word "Flammlachs" in a bold, white font with a blue outline is mounted on the roof. Above the sign is a large, blue fish logo. The facade of the building features two large, realistic-looking fish mounted on the wall, a ship's wheel, and several portholes. The interior of the restaurant is visible through the open front, showing a bar area with a menu board, a grill with a fire, and various fishing-themed decorations. The menu board lists three items: 1. Flammlachs - Schinken (mit Salat und Sauce nach Wahl), 2. Flammlachs - Schokolade (mit Salat und Sauce nach Wahl), and 3. Flammlachs - Teller (mit Salat, Schinken und Sauce nach Wahl). The price for each item is 3,50 €. The grill area has a fire burning, and there are several fish hanging from the ceiling. The building is surrounded by a green lawn, a wooden fence, and a backdrop of mountains and a lake. There are also some potted plants and a small wooden box in the foreground.
